**Cup of Europe
2026**

Germany Stade
17. – 24. Oct

Sportcampus Stade

Competition Venue (address: Harsefelder Landstraße 200 in Stade)

The competition will take place at the **Sportcampus Stade**, a modern sports facility offering excellent conditions for international artistic skating events.

The competition floor measures **24 × 44 metres** and features a **wooden parquet surface**. The recommended wheels for the competition are **Giotto Grey** or other wheels with an equivalent hardness. A dedicated warm-up area measuring **20 × 12 metres** with the **same parquet surface as the competition floor** will be available for all participating athletes throughout the event.
